**Happy Greetings and Welcome to the New Academic Session 2021-22**

Dear Parents,

It is said that challenge and adversity are meant to help you know who you are. Storms hit your weakness but unlock your strengths.

We all have experienced an unprecedented situation with the global covid-19 pandemic but these unprecedented crisis also present opportunities for transformation. With this belief and with great pleasure and wonderful sense of anticipation, I take this opportunity to welcome all my dear students and parents to yet another exciting year. We are looking forward to a very fruitful and productive 2021-22.

As usual, we continue to strive in our mission to provide the best possible educational environment for our students. We have not left any stone unturned in the yesteryears and ensure you that all our activities (curricular as well as co- curricular) will be planned and executed with the aim of providing holistic development in the child. But all this is not possible without your unstinted support and cooperation. Looking forward to the same this academic session too. Kindly note that new session is being commenced from April 5, 2021 i.e. Monday

May the new academic year 2021-22 bring in the renewed energy and resolve to fulfill all that has been planned for students!

**THANK YOU.**

Regards,

MS.Prabha Gupta
