

Little Sculptor (Clay Modelling Activity)

S.KG 11-11-2020

The tiny tots of class S.KG were explained the significance of Children's Day. They were taught to make a three-dimensional model of a rose which is associated with Pandit Jawaharlal Nehru. The little artists enjoyed the activity and used their imagination and moulded the clay into beautiful roses. The objective was to develop their fine motor skills, hand-eye coordination, imagination and creativity. It also enhanced their problem solving and decision-making skills.
