

English Poem Recitation Competition

Class-S.KG (11-08-2021)

“Poem Recitation is a mode of expression, a medium to reflect the latent talents of the young ones.”

Keeping this in mind ‘English Poem Recitation Competition’ was organized for SKG on August 11th2021. The tiny tots came up with different poems on the theme ‘Patriotism’. It was beautifully displayed with the help of related props and backdrops. They enthralled everyone with their articulation and memory skills while reciting them. The objective of the competition was to enhance the confidence and recitation skills of the students.
