

Vishwa Bharati Public School Dwarkais an example of what leadership with vision, commitment and discipline can achieve. Looking back at our journey in serving the cause of education, since 15th April 1999,when our school opened its doors for the students, we are both happy and proud at the thought of the memorable milestone we have reached.

“Leadership is about making others better as a result of your presence and making sure that impact lasts in your absence”

Today in the fast changing, challenging, competitive environment, it becomes imperative to balance academics, co-curricular and extra-curriculars for future ready students. For this,our ex-President of Vishwa Bharati Women’s Welfare institution, Late Shri D.V. Batra Ji, laid foundation of this institution envisaging an educational structure that would support academic excellence, inculcation of life skills such as self discipline, team work, sense of duty, respect for elders and civility thereby preparing pupils to face global challenges.Shri D.V. Batra ji-a great visionary and an educationaist, left for his heavenly abode on 23rd October 2020 He is not among us today but we shall all remain indebted to him for his invaluable and priceless support and guidance.His love and blessings will always remain with us for eternity and beyond.

Carrying his legacy forward and helping Vishwa Bharati Public School Dwarka to reach the echelons of success are Shri V.N. Saigal Sir- President, Shri V.K. Ganju Sir- General Secretary and Shri M.L. Nakhasi, Secretary, VBPS, Dwarka who are there to guide us at every step. Hearty welcome Sir.

VBPS, Dwarka has had a very long journey since its inception , passing through various progressive stages from its infancy to maturity. The support and guidance of our honourable management members has been a great source of inspiration for all round development of the school.

The year 2021-22 had been a roller coaster ride for all of us. We saw a lot of changes in almost every aspect of life and are still in the process of adapting to those new changes. We are living in extra ordinary times and the 2021-22 school year has been a year like no other. The Covid-19 pandemic disrupted the normal life style of people across the globe and the virtual world came to the rescue. Teaching and learning during the pandemic was a new

challenge for both teachers and students. Transitioning to online mode had its share of challenges but with constant efforts, we were able to overcome these challenges. We implemented immediate measures which included shifting teaching process online through Zoom app on an untested and unprecedented scale, conducting online assessments, creating content suitable for remote learning using technology and tools among others. As a result, our students have showed their academic excellence in pre-primary, primary, middle, secondary and senior secondary by achieving good result in their term end examinations.

It was indeed a proud moment for our institution when our school- VBPS DWARKA was awarded with the prestigious award of EXCELLENCE IN LEARNING BY DOING PEDAGOGY at an award ceremony eLdrok india k-12 at Hotel Pullman, Aerocity, New Delhi. The award was presented to Mrs Prabha Gupta- the school Principal.

Students were given various other extra curricular activities such as Yoga, singing, dancing etc. on day-to-day basis which they could carry out at their home and to encourage our students, we uploaded their videos on our webpage from time to time.

Nonetheless, our students have shown their talent in non-academic fields, when they participated and performed exceedingly well in various inter-school competitions organized virtually, and brought laurels for the institution. At this point, I would like to share with you all a few of the achievements of our shining and rising stars.

I congratulate all these young achievers from the core of my heart.
